

Spring Vale Primary School

Attendance Policy 2021-22

Together	Together with friends, families and community we care for ourselves, each other, our school and our world.
Everyone	Everyone has access to a broad, balanced and stimulating curriculum, whatever their gender, race, ethnicity or ability.
Achieving	Achieving our best is what we aim for every day we come to school.
More	More independence makes better learners and helps us to become good citizens.

Introduction

Attendance at Spring Vale is vitally important for children to take full advantage of the educational opportunities given to them, allowing all children to fulfil their potential. Missing school means that children will miss out on important lessons, one off experiences or school trips and also chances to engage with their peers, which ultimately has a negative impact on their progress both academically and socially. Spring Vale strives to provide all children with a welcoming and caring environment, whereby each member of the school community feels wanted and secure. Our school will help and support children and their families to ensure each pupil attends school regularly and punctually.

What Attendance at Our School Looks Like

Attendance at Spring Vale means that over a school year ...

0 Days Missed	→	100%	→	Perfection
4 Days Missed	→	98%	→	Well Done
★ 7 Days Missed	→	96%	→	Good ★
9 Days Missed	→	95%	→	Nearly There
11 Days Missed	→	94%	→	Needs Improving
4 Weeks Missed	→	90%	→	Persistent Absence
6 Weeks Missed	→	85%	→	Serious Concerns

Our Targets in Attendance

- Our school expects all children to have an attendance greater than 96%. The school average is 96.6% and the school target is 97%.
- An attendance of less than 90% will be considered a persistent absence and further action will be taken. Legal action is pursued where necessary.

NOT HERE... NOT LEARNING

As a school we are proud of attendance levels and the achievement of our children. This policy aims to promote regular punctual attendance in order that children receive the full entitlement provided at Spring Vale Primary School.

Education is important. Missing school means missing out. Children should be at school, on time, every day the school is open, unless the reason for the absence is unavoidable. Permitting absence from school without a good reason is an offence by the parent that can result in legal action by the Local Authority.

Every half-day absence from school has to be classified by the school, (not by the parents), as either AUTHORISED or UNAUTHORISED. This is why information about the cause of each absence is always required, preferably in writing.

Authorised absences are mornings or afternoons away from school for a good reason like illness or other unavoidable causes. Unauthorised absences are those which the school does not consider reasonable and for which no "leave" has been given. This includes:

- parents keeping children off school unnecessarily
- truancy before or during the school day
- absences which have never been properly explained
- children who arrive at school too late to get a mark

Therefore if a child misses a whole day – this counts as two absences.

Objectives

- To raise the overall school attendance to be above national averages
- To reduce the number of persistent absentees
- To promote a culture of punctuality and good attendance
- To improve parental understanding of the school's expectations for attendance and punctuality
- To closely monitor attendance and punctuality

These will be achieved by

- Sharing this policy and procedures with staff, parents and pupils
- Regular meeting with EWO (Education Welfare Officer), Attendance Officer (school based), Attendance Governor and LMT Attendance Co-ordinator
- Monitor attendance through half term governors meetings
- Create a reward system for good attendance and punctuality
- Relevant staff receive training and time to complete admin tasks as required

- Seeking views of children through the school council

Procedures

- Doors open for pupils at 8.30am
- Doors shut for pupils at 8:45am
- Register to be taken by the class teacher at 8:50am with pupils sitting down completing a 'walk into learning' task
- Teachers close the register at 8:55am
- Pupils are marked either present, or absent using SIMs the fire register is also completed and sent to the main school office
- Pupils attending appointments during the school day will be signed in and out by parents using the electronic system
- Late pupils must enter through the main school entrance Pupils who arrive after 8:45am are recorded as late in SIMs

The school applies the following procedures in deciding how to deal with individual absences:

- Parents are asked to contact the school by telephone before 9.30am to notify the school of absence and the reasons for this.
- A note from parents should be sent to school on the child's return, detailing why the child has been absent
- A leave of absence form should be completed for any leave from school – this will only be granted in exceptional circumstances.
- If a child is late for school please phone in advance where possible and report to the school office on arrival.
- After 9:30am the school will commence absence queries by telephone. If no contact can be made by telephone, a note is made in SIMs and the text service will be used

Parents who routinely fail to make contact with the school will have all absences unauthorised and a referral to the Education Welfare Service will be made.

It is not usually possible for the school to authorise absences for shopping, looking after other children, minding the house, birthdays, day trips etc. Leave may, however, be granted in an emergency (e.g. after the death of a close relative). Parents are asked to make medical/dental appointments outside school time wherever possible. Where such appointments in school time are unavoidable, a "present" mark can still be awarded if the child attends for as much of the session as they can. It is always better to attend for some of the time, rather than missing the whole day. Parents are asked to tell the school in advance of any such appointments wherever possible.

Pupils who cause concern

Below 96%

- Parents of children who have attendance below 96% are identified as causing concern. Attendance will be monitored by school staff and the EWO – Monitoring of attendance is shared with children and parents through reward assemblies, weekly newsletters, the attendance league table display – alongside individual letters to parents.

Below 92%

- All children receive a letter home make parents aware of the attendance of their child compared to school and national averages

Below 90%

- Children below 90% are classed as persistently absent
- The EWO will become involved – all children are discussed every three weeks at meetings with the EWO and trends for individual children are plotted
- If attendance does not improve an Early Help Assessment is offered
- If attendance does still not improve legal action will commence

Procedure for promoting attendance

- The attendance league table is displayed in the hall and is updated every week
- The class with the best attendance for the week is celebrated in Thursday praise assemblies and a certificate is presented
- Classes that receive 100% attendance for the week receive a special certificate
- Special termly attendance assemblies are held and termly attendance badges are awarded
- Special annual attendance assemblies are held and special annual attendance badges are awarded
- Attendance for each class is sent home on the weekly newsletter
- Attendance has a high profile on the school website

Leave of absence

- The school follows the local authority procedures when parents apply for leave of absence. These procedures are laid out in full in a local authority leaflet (copies of this are available from the school office or the headteacher)

Applications for leave of absence

1. Where possible parents/carers speak with a senior member of staff about an upcoming planned absence
2. Parent/carer collect a leave of absence form from the school office
3. Parent/carer returns the completed form back to the school office including any supporting evidence which is stapled to the school form
4. Office staff attach attendance information and forwards the application to the headteacher
5. Headteacher applies the approval criteria and refers to evidence
6. Application is also taken to the EWO if this is relevant
7. Parents are informed of the outcome

Leave of absence that is approved – authorised absence

Leave of absence that is not approved – unauthorised absence

Applications are generally processed in 5 working days

Those people responsible for attendance matters in this school are:

Class teachers who will notify the office of any concerns and pass on parents' messages.

Mrs Wynne and Mrs Wright, who will phone parents and make contact with outside agencies where appropriate.

Mrs K Kelly (Deputy Headteacher/ Designated Teacher for Pupil Premium)

Mr Blunt (Headteacher), EWO

Mr T Kelly (attendance focus during his NPQML course)

Summary

The school has a legal duty to publish its absence figures to parents and to promote attendance. Equally, parents have a duty to make sure that their children attend regularly. School staff are committed to working closely with parents as the best way to ensure as high a level of attendance as possible.

ATTENDANCE MATTERS

Did you Know?

97% attendance means your child will have missed 6 days of school throughout the year.

90% attendance means that your child will have been absent for the equivalent of one half day every week!

This also means that your child will have missed the equivalent of 4 whole weeks throughout the school year!

If you take a two week holiday during term time your child's attendance will automatically be reduced to less than 95%.

A two week holiday each year in primary school means a total of 14 weeks teaching time missed. This is the equivalent of a whole term and can have a real impact on your child's literacy and numeracy skills.

If your child does not attend school regularly and you fail to work with the school and The Education Welfare Service you may be fined up to £2500 and in extreme cases sent to prison.

8.45 am: School officially opens

School Attendance Fact Sheet For Parents

Tips to help you and your child make going to school easier:-

1. Help them get their school bag packed the night before.
2. Make sure their uniform is ready especially after the holidays or weekend.
3. Get them to bed at a reasonable time so they have a good night's sleep.
4. Set the alarm clock early enough to allow plenty of time to get ready properly.
5. Make sure they have something for breakfast.
6. Set off for the bus or start walking early enough so they won't be late: punctuality is important.
7. Check to make sure they have everything they need – books, PE kit, dinner money etc.
8. If your child is finding the work too hard, speak to the teacher.
9. Talk to your child about what they did in school today.

Q. Chloe has a tummy bug and isn't well enough for school. What do I need to do?

A. Call the school office on 01902 556589 before 9.30 am or as soon as possible.

Q. I need to take Ben to the dentist next week, do I need to let school know?

A. Yes please! Please inform the school office. Where possible, please try to make appointments during school holidays. If this is not possible, try to arrange for appointments at the beginning or end of the school day.

Q. I sometimes struggle to get all of my 3 children to school before the school gates close, being 5 or 10 minutes late doesn't really make that much difference does it?

A. It is important for all children to be in school on time. It can be upsetting for the child and disruptive for the rest of the class when children are late. Children who are late need to arrive via the school office and will get a late mark.

Rewards, Rewards, Rewards!

We have termly and yearly awards and certificates for children with excellent attendance and a class attendance league table in the

Things to remember:-

Keeping children away from school is a criminal offence.

If you do not let us know why your child is not in school their absence will be marked as unauthorised.

Looking after other children, going shopping or waiting for a delivery/the gas man are not valid reasons to keep your child off school and will be marked as unauthorised absences.

Children with poor attendance are often victims of bullying and may find it difficult to get along with other children and make friends.

Holidays in Term Time:

Some parents believe that their child is automatically entitled to up to 10 days out of school during the year.

This is not true!

Parents can request to take children out of school during term time by filling in a Leave of Absence form. However, holidays are only granted in exceptional circumstances.
