

Pupil Premium Policy 2021-2022

Aims

Pupil Premium was introduced by the government in 2011-2012 as an additional contribution to main school funding in order for schools to, 'address the current underlying inequalities between children eligible for free school meals (FSM) and their wealthier peers by ensuring that funding to tackle disadvantage reaches the pupils who need it most' DfE April 2012'

The Pupil Premium is allocated:

- for any pupil registered as eligible for free school meals at any point in the last 6 years
- for any pupil who has been looked after for 1 day or more
- for any child who has been adopted from care
- for any child who has left care under: a special guardianship order, a residence order or a child arrangement order
- for any child whose parents are currently serving in the armed forces.

Purpose of the grant

Our pupil premium money has been used to provide a range of additional support for our children to enable them to make progress and ensure the gap between disadvantaged (Pupil Premium pupils) and others is closed. Funding will be used to support the disadvantaged group, which comprise of pupils with a range of abilities, to narrow any achievement gaps between them and their peers. We also recognise that not all pupils eligible for PPG will have lower attainment than their peers. In such cases, the grant will be used to help improve progress and attainment so that they can reach their full potential. It will also be used to provide extra- curricular activities and enrichment opportunities beyond the school day, with the aim to increase opportunities for pupils eligible for PPG to develop Cultural Capital (see Pupil Premium Expenditure and Outcomes 2021-22). The rationale to support our PPG spend, including research and data, can also be found on our Pupil Premium Expenditure and Outcomes document 2021-22)

Provision

- The range of provision the Governors may consider include: Reducing class sizes thus improving opportunities for effective AfL and accelerating progress Providing small group work with an experienced teacher focussed on overcoming gaps in learning I-I support additional teaching and learning opportunities provided through trained TAs, or external agencies
- All our work through the pupil premium will be aimed at accelerating progress moving children to at least age related expectations. Initially this will be in English and Maths.
- Pupil premium resources may also be used to target able children in receipt of PPG to be working securely at age related expectations by the end of the year.
- The Governors of the school will publish information on how they have used their Pupil Premium Grant to address the issue of 'narrowing the gap', for socially disadvantaged pupils.
