Weekly News – 21st June 2021

Sports Days

To have parents/carers/grandparents watching sports days was our ambition. Unfortunately, due to the Government announcement on Monday, where current restrictions were extended for a further 4 weeks, the Local Authority have informed us that we are not allowed to have spectators. Sports days will still go ahead but behind closed doors. Staff and pupils within bubbles will be able to cheer and encourage each other. We will endeavour to make this as fun as possible for the children.

Arts Week

As a part of our curriculum enrichment, we will be holding an Arts Week from Monday 28th June. This will involve children working to create artwork as individuals, and as a class project, which will be led by a visiting artist. To help us out with this, we are asking for donations of plastic bottles, plastic packaging, bottle tops, cardboard packaging - or any other recycling we could use to be donated to your child's class. There will be collection boxes in the classrooms next week!

Well Done...

.....to Year 6, Year 2, Year 4 and Year 1 who have taken part in SATs, phonics and times tables testing this week.
