Parents and Guardians,

We cannot express how impressed we have been with the children this year so far and the amazing resilience and enthusiasm they have shown in the face of such adversity after returning to school after such a long time away and during the recent lockdown.

We have really enjoyed seeing the children develop and mature and very much look forward to moving forward with face to face learning once again and will endeavour to continue to support and challenge Year 3 with their learning to help them continue to make progress over the rest of the year.

Thank you for your continued support during these difficult times.
