- As parents are aware, SATS testing is taking place next week. Year 6 children are able to come to our SATS breakfast club Monday - Thursday free of charge! Please aim for children to arrive between 8 - 8.15 am (unless you regularly use breakfast club). Other year groups can attend as normal - cost £2.00 per child, per day.
- During the summer term, all PE (including Soccer 2000) lessons will be outside. Children should have appropriate outdoor kit and footwear in school on PE days.
- During the summer months, please make sure children have water bottles and sun hats in school. Sun cream should be applied to children before they come to school.
- Can I please remind parents to walk along the paths, **NOT** the driveway, especially when collecting children from after school clubs. The driveway is for vehicular access only.
- All money sent in to school should be in an envelope (available from the main entrance area), clearly marked with child's name, class, amount enclosed etc. Please try to send the correct amount in as we struggle for change. Children should hand envelopes in to the class teacher during registration time.
- Children will be on the field for the majority of playtimes/lunchtimes during this term - we need a letter from parents for any child not allowed to play on the field due to allergies. Any children who suffer from hayfever should have their medication before they come to school. We can apply allergy eye drops to children in school before they go out at lunchtime - parents would need to provide the drops and complete a medical consent form.
- As soon as the schedule of building works is known, we will let you have summer event dates, ie Key Stage sports days etc
