Together with friends, families and community we care for ourselves, each other, our school and our world.

Everyone has access to a broad, balanced and stimulating curriculum, whatever their gender, race, ethnicity or ability.

Achieving our best is what we aim for every day we come to school.

More independence makes better learners and helps us to become good citizens.

Homework Expectations

It is important that homework is completed and in school on time. Particularly as we work towards SATs and moving on to secondary schools. Homework should be completed to the same standard as expected within school. If any help/resources are required please ask for support within school.

Parents and Guardians,

The children have all made a fantastic start to Year 6 and have taken on new roles and responsibilities well. I have been really impressed with the attitude I have seen towards tackling a new and challenging curriculum.

I look forward to seeing the children grow and develop into their final year at Spring Vale. There is lots of hard work ahead - of which I trust you will be supportive - and I look forward to watching the children rise to the challenge and celebrate their successes.

I look forward to catching up with you at Parent Interviews.

Again, thank you for your ongoing support, Miss Manning, Mrs Harrison, Miss Kelbie and Mr Marsh

Remember, school lessons start at 8.45 a.m.

Doors will be opened at 8:30.

Being on time for school is important.
