Class Assembly

Our class does not have a class assembly this term, it may take place later in the year.

Together with friends, families and community we care for ourselves, each other, our school and our world.

Everyone has access to a broad, balanced and stimulating curriculum, whatever their gender, race, ethnicity or ability.

Achieving our best is what we aim for every day we come to school.

More independence makes better learners and helps us to become good citizens.

Parents and Guardians,

We are very impressed with how well all of the children have settled into their new routines in Year 3. All of the children have shown great enthusiasm towards their lessons and have made an amazing start to Year 3.

We hope the children enjoy their time in Year 3 and look forward to working alongside you to help them progress over the year.

Thank you for your support,

Mr Andreas
